

## Summary

### Pronouns are used in place of NOUNS

or pronouns or phrases

But NOT adjectives

When you spot a pronoun, ensure the following

- *Pronoun Must refer to ONLY 1 Antecedent*
- *Pronoun-Antecedent Pair Must Make Sense*
  - *Sentence logic may suggest a unique pronoun-noun pair that makes sense*
- *The noun that the pronoun refers to must exist in the sentence.*
- *Pronoun-Antecedent Pair Must Agree in Number*

Understand the meaning of the sentence.
